Dear Sir,

APPLICATION TO RETRACT GEF LOAN REQUEST

I, Owolo Oluwafisayo Oluwadamilare a former corp member at Enugu State with State Code EN/17B/2088 and NYSC call up number NYSC/ILR/2017/226660 wish to retract my request to collect Graduate Entrepreneurship Loan that is done in conjunction with National Youth Service Corp, hence nullify all processes that has been done to give me the loan.

I decided not to participate in the loan program again because, when I subject my business idea to another possibility without the loan I believe I can start up my business without necessarily collecting the loan.

I will be grateful if my request is duly granted.

Yours Sincerely,

Owolo Oluwafisayo Oluwadamilare
